### Update Variety List

If the variety being grown by the policyholder does not appear on this list, agents should contact their insurance company. The insurance company will contact the RMA St. Paul Regional Office. Please do not contact the processor directly. When calling the regional office, please provide the name and location of the processor who is contracting the variety in question.

### Where to Buy Crop Insurance

All multi-peril crop insurance, including Catastrophic Risk Protection (CAT) policies, are available from private insurance agents. A list of crop insurance agents is available at all USDA service centers and on the RMA website at <http://www.rma.usda.gov/tools/agent>.
